States that the proposal to raise the

Number of Sub Engineers from 10 to 11 is
not acceptable to Govt.

Serial No.

Letter No. 703/E dated 8.4.1947 from the Chief Engineer for Irrigation

Forwards proposals for the promotion of Senior Overseers as Sub Engineers against existing vacancies.

The C.E.I. recommends that the following Overseers may be promoted as Sub Engineers on Rs 125-10-175 plus Rs 20/- C.A. each, against seven vacancies, as explained by him in his letter—

Messrs—

(1) T. K. Ammu Thy
(2) N. V. Lempatthumaran
(3) G. S. Nagesha Rao
(4) L. Doraiswamy Iyengar
(5) N. Venkoba Rao
(6) N. V. Krishnaswami Aya
(7) T. Jayasimha Rao.

2. The cadre of Sub Engineers which was abolished in 1944 has been revived in G.O. No PW 5099-102/Est. 1-46-36 dated 12-2-1947 and the number has been fixed at 10. Excluding one temporary post of Sub Engineer sanctioned for T.P.S., the total number will be 11 against which 7 are stated to be actually working.

3. Mr. St. John D'Cruz, who is counted against one of the Sub Engineer's posts is on L.W.A.

He was working as Asst Architect. This post has since been converted into that of an Asst Engineer. The C.E. says that his chair may therefore be removed, thus releasing one more vacancy. Mr. K. Venkatesa Iyer, Sub Engineer is one of the Tyne City Municipality. With these two vacancies the number available for promotion will only be six and not seven as stated by C.E. The proposal is for orders.

4. Prior to 25.2.1944 the Hony Asstt Engineers were counted against the sanctioned permanent strength of Sub Engineers. When the G.O. of 25.2.44 laying down revised rules was issued, the Sub Engineers including Hony Asstt Engineers had no regular provision in the revised cadres. On a recommendation received from the C.E. in respect of Hony Asstt Engineers and Sub Engineers (when there were 4 Hony A.E.'s and 7 Sub Engineers actually working) Government sanctioned on 12.2.47 the proposal to revise the Sub Engineer's cadre and to fix the strength at 10. It was therefore taken that this strength is exclusive of the Hony Asstt Engineers. On this basis, the rules continued.

5. Against the 10 posts of Sub Engineers the following have to be counted:—

through Mr. D'cruz is on K.W.A and is in Engrs grade (personal to him), a post has to be earmarked to him in the Sub Engrs grade. Besides Mr. G. Ramachandra Rao in the Architect's Section is occupying the post of Sub Engrs: Mr. G. Narasimha Iyengar has also to be counted, he having been taken to Cement Concrete Div for the time being without a similar post being created in that Division. Omitting serial no 7 supra, the rest have to be counted. Hence there are only five vacancies including the post of Sub Engrs of the J.P. Scheme, against the seven vacancies reported by C.E.

of these Overseers, Government in connection with the irregularities in the Kosava Colony Store accounts observed "If Mr. K. Doraswami Iyengar is in charge of any responsible work, he must be immediately relieved of such duties and posted to a place where he will have no scope for such kind of mischief". Connected file is put up. whether in view of the above remarks he is to be promoted is for orders.

7. Only 5 persons can be promoted and one more in place of Mr G. Ranga Iyengar (now proposed for promotion as Sub Engineer) on leave preparatory to retirement.

Secy 23/4/44

8. Prior to the issue of G.O No. P.W. 5695-5716 dated 25-2-1944, the appointments that were open for non-graduates were: —

1) Sub-Overseers on Rs. 35-5/2-80
2) Overseers on Rs. 80-5-125
3) Sub-Engineers on Rs. 125-10-175
4) Hon: Asst. Engrs on Rs. 175 + 25 P.A.

As per sanctioned scale

There were 2 permanent Hon: Asst. Engrs. and 10 permanent Sub. Engrs. on 25-2-1944 — and the Hon: Asst. Engrs. were counted against the sanctioned permanent strength of Sub-Engineers. The cadre of Sub-Engineers was abolished in G.O.

9. Subsequently Govt. in their Order P.W. 5099-102 Est. 1-46-36 dated 12.2.1947 direct that the old cadre of Sub. Engineers be revived and their permanent strength be fixed at 10. There is provision besides for one more Sub. Engineer in the Estbt. sanctioned to J.P.S. in G.O. No. P.W. 6984-87/Est. 12-45-40 dated 18.4.46. Thus there are in all 11 Sub. Engineers posts - 10 Permanent & 1 Temporary - excluding the posts of Hon: Asst. Engrs.

10. The 7 Sub. Engineers already working may be counted against the 10 permanent vacancies. Then the 3 vacancies available for promotion may be detailed as below:—.

3 against permanent vacancies, 1 against J.P.S. Establishment (temporary) and 1 more against Mr. K. Venkatisha Iyer O.O.D. in the Municipality (Mysore). Thus there are only 5 vacancies available for promotion of Senior Overseers.

11. Regarding Mr. K. Doraswamy Iyengar who happens to be one of the 5, a special Govt. order has to be sought in view of the case mentioned in para (6).

11. The Chief Engineer puts up a report for filling up the vacancies of the Sub Engineers. The Sanctioned Strength is 10 Sub Engineer + 1 Sub Engineer for Jog point Scheme in all 11 Sub Engineer against which 6 are working (Item No 7 being O.O.D) and hence there are only 6 11-6 = 5 Vacancies to be filled up. against the Seven as noted by the Chief Engineer. The Chief Engineer's proposal for excluding the two cannot be accepted for reasons noted at A in Para 5. Pending deputation orders. If all the post of Asstt Architect is in addition to the Strength of Sub Engineer he has to be counted against the Sub Engineer. Secondly there is no Sanction for a Sub Engineer in Coimbatore Division hence this post cannot be counted as additional & Hence there are only 5 Vacancies. The first 5 in the order noted in Para 6 and in Chief Engineer's O/O may be promoted as Sub Engineers against these five Vacancies.

Amongst the five 4th in the list is Mr Doraswamy Ayengar. I have observed and seriously his conduct vide flag X. Hence it is for orders to promote him. And no Special recommendation is received from the Chief Engineer. If his case is not to be considered, then the next in the list will have to be promoted. It is for orders to condone this fault. Regarding Mr D'Cruz's place, the Chief Engineer may perhaps be requested to make up a case for an additional post separate from the Cadre of Sub Engineers. Pending orders he has to be counted against the Sanctioned Strength of Sub Engineers as per existing orders.

As noted in Para 6 of the letter, Mr G. Suriga Ayengar M.C.E. is on leave preparatory to retirement. The next in rank may be promoted as Sub Engineer. The modified proposals for 6 men will be:

1) Messrs
1) T. R. Murki
2) M. V. Sampathukamaram
3) G. S. Nagesa Rao
4) K. Doraswamy Ayengar. (Subject to orders)
5) N. Venkoba Rao
6) M. V. Krishnaswamy Ayer. (from the date Mr G. Surya Narayana Supdg.)

Mr Venkoba Rao will be in place of Mr Suryanarayana.

Next in rank is Mr Jayasimha Rao. (4th). Whose case depends on orders Mr Krishnaswamy Ayengar will get his next chance on 4.

case of Mr. St. John D'cruz is intended to be continued in that cadre.

21. Mr. D'cruz's been ever since his appointment in 1926, is being retained in the Sub Engineer's cadre, even though his designation was changed from time to time. A note to this effect is being maintained in the Civil List too. Even during the revision of the scale of salaries of the Architect's Office, the post held by Mr. D'cruz is shown in the proposition statement under the "present scale" and it was retained in the "proposed scale" too with an increased rate of pay corresponding to that of an Asstt Engr viz Rs 200-$\frac{10}{2}$-400 so as to facilitate the posting of an Asstt Engineer to that Section to get trained to eventually assume the duties of the Architect. His course was considered necessary as Mr D'cruz is away on long leave since last over 5 yrs. As nothing was said to the contrary in the proposition statement, the post of Sub Engr. had to be kept vacant so long as Mr D'cruz is borne against the Architect's Office. During his absence, another in that Section is continued as Sub Engr. Hence this acting incumbent will be considered to be counted against Sub Engineers' cadre in the general Branch and no place will be available for any other arrangement.

It is stated that the original number 7 included Mr. A. St. John D'Cruz. The increased number 10 therefore apparently includes the post of Assistant Architect also. If the post of Assistant Architect has to be made independent, shifting the lien of John D'Cruz to that post, the cadre of Sub Engineers has to be reduced from 10 to 9 permanently.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

Public Works Department

READ—

G.O.No.P.W.5695-5716 dated 25-8-1944, laying down rules governing the Mysore Public Works Service.

2. Letter No.1552/ dated 23-8-1946 from the Chief Engineer for Irrigation, forwarding proposals for increasing the strength of Non. Gaistant Engineers in the Public Works Department from 4 to 12 or in the alternative to revive the cadre of Sub Engineers which existed prior to the issue of Government Order dated 25-2-1944.

Order thereon No. P.W. 5088-102/Esc.1-46-86. Dated, Bangalore, 12th Feb. 1947.

Government, while laying down rules governing the Mysore Public Works Service, in their order dated 25-2-1944 read above, have abolished the cadre of Sub Engineers which existed prior to the issue of the Government Order. The establishment now in the non-gazetted ranks in the Department are :-

i) Sub-Overseers on Rs.35-5/2-80 (they are started on Rs.50 now)
ii) Overseers on Rs.80-5-125 and
iii) Non. Assistant Engineers on Rs.175/- + Rs.25/- per annum

The Non. Assistant Engineers, who are in charge of Sub-Divisions have been given a Grade of Rs.200-25/2-250. At present there are four Non. Assistant Engineers and 7 Sub Engineers (including Mr. Lt.John D'Cruz who is now on foreign service) in the Department. As the cadre of Sub Engineers has been abolished, the Chief Engineer has recommended that the number of posts of Non. Asst. Engineers may be increased to 12 to enable the existing Sub Engineers being absorbed in that grade.

2. Government consider that it is not desirable to permanently allocate 12 Sub Division charges to the non-graduate Non. Assistant Engineers. But they, however feel that there is legitimate grievance for the non-graduates and in the interest of contented service, their chances of promotion should be improved.

3. Government are, therefore, pleased to direct that the old cadre of Sub Engineers on Rs.125-10-175 + Rs.25 C.A. be revived and their permanent strength fixed at 10.

Filling up the vacancies of Sub Engineers.

I have the honour to state that in Government Order No.5099-120/Est. 1-46-36 dated 12-2-1947, the old cadre of Sub Engineers on Rs.125+10-175+28 C.A. is revived and the permanent strength is fixed at 10.

2. In the establishment sanctioned to Jog Power Scheme, in Government Order No.P.W.6984-87/Est. 12-45-40 dated 18-4-1946, there is provision for a Sub Engineer.

3. The following Sub Engineers are actually working in the Department:-

1) Mr.St.John D'Cruz on L.W.A.
2) Mr.M.G.Narasimha Iyengar, O.O.D. in Cement Concreting Division
3) Mr.M.Raghavendra Rao, Jog Power Scheme
4) G.Rangaswamiah, Mysore Circle
5) Mr.L.Ramaswamiah, Irrigation Circle
6) Mr.S.G.Krishna Iyengar, Irrigation Circle
7) Mr.K.Venkatesa Iyer, O.O.D. in the Mysore City Municipality.

4. There are five vacancies of Sub Engineers out of the sanctioned strength of ten Sub Engineers.

5. Mr.St.John D'Cruz who was working as Assistant Architect is on leave without allowances. The post of the Assistant Architect has been permanently sanctioned and pay of the post is revised to Rs.200-40/2-400 in Government Order No.3633-35/Fr dated 14-11-1945 (22-45-6). Mr.D'Cruz is already in receipt of a pay of Rs.320/-. Hence, his lien from the cadre of Sub Engineers has to be removed. Mr.K. Venkatesa Iyer, Sub Engineer is on other duty in the Mysore City Municipality. Hence, there are two more vacancies of Sub Engineers. In all there are seven vacancies of Sub Engineers. In the above vacancies, the following senior-most Overseers get promotion as

Vacancies in the cadre of Sub Engineers

With reference to Govt. no P.W. 8212-6/ESF1-46-5-6 dt. 2-6-1947, approving the promotion of some Sanitary Overseers to the cadre of Sub Engineers, I am directed to state that Mr. A. Sh. John D'cruz has to be continued to be shown in the Sub Engineers' cadre, and Mr. M. Ramachandra Rao has been working as Sub Engineer in his vacancy, no further arrangements will be admissible. If however Mr. D'cruz has to be treated as independent of the Sub Engineers' cadre, a separate case has to be

Vacancies in the cadre of Sub Engineers.

With reference to your letter No.P.W.8217 dated 2-6-1947, intimating among other things that Mr.A.St.John D'Cruz has to be continued to be shown in the Sub Engineers' cadre and that as Mr.M. Ramachandra Rao has been working as Sub Engineer in his vacancy, no further arrangement will be admissible, I have the honour to state that the post of an Assistant Architect on Rs.200-40/2-400 has been permanently sanctioned in Government Order No.3633-35/Est. 22-45-6 dated 14-11-1945 and this vacancy has not been filled up as Mr.A.St. John D'Cruz is being counted against the same as already intimated in this office No.7031 dated 8-4-1947. Hence, the question of extra cost does not arise. As Mr.D'Cruz is on leave without allowances, Mr.M.Ramachandra Rao is being continued with a status of a Sub Engineer in the grade Rs.120-10-175 as approved in Government Order No.P.W.3927-28 dated 30-11-1942. As the establishment attached to Architect forms a separate Unit for purpose of promotion and confirmation etc., it is a point for consideration if Mr.D'Cruz has to continue against the post of Sub Engineer sanctioned in Government Order No.P.W.5099-102/Est. 1-46-36 dated 12-2-1947. If his lien is continued in the cadre of Sub Engineers, separate proposal to fill up the post of Assistant Architect sanctioned in Government Order dated 14-11-1945 has to be formulated. In the allocation statement forwarded with Government Order No.8217-6/Est 1-46-56 dated 2-6-1947, it has been mentioned that Mr.D'Cruz to be continued as Assistant Architect on his present sanctioned grade pay. If the intention of Government is to continue Mr.D'Cruz in the cadre of Sub Engineers and count him against the post of Assistant Architect, then the total number of Sub Engineers has to be raised from 10 to 11 Till Mr.D'Cruz returns from leave, Mr.M.Ramachandra Rao may continue to look after the duties of the Assistant Architect as heretofore.

C.O.;-

2. Under the foregoing circumstances, the vacancy of a Sub Engineer out of the 10 posts sanctioned in Government Order dated 12-2-1947 remains to be filled up. In this vacancy, the senior-most Overseer, Mr.M.V.Krishnaswamy Iyer, may kindly be promoted as already recommended in my letter No.7031/E dated 8-4-1947.

I have the honour to be,

Sir,

Your most obedient servant,

GCS/16th.

Subject

Vacancies in the Cadre
of Sub Engineers

Sir,

With reference to your
letter No. 9015/E dated 17-6-1947
stating
~~recommending~~ that the total
number of Sub Engineers has
to be raised from 10 to 11 if
A. St. John
Mr. D. Cruz, Asst Architect, now
on foreign service, is to
continue in the cadre of
Sub Engineers, I am directed
to state that the agents of

Sub Engineers was raised
from 7 to 10 in SO No PW 5099-102/Est
1-46-36 dated 12-2-1946 and that
the original strength of 7 included
Mr. A. St. John D'Cruz as reported
in Para 3 of your letter No 1532/E
dated 26/8/1946. In view of this,
I am to add that the proposal
to increase the number of Sub Engineers
from 10 to 11 is not acceptable
to Govt.

It is also to say that
Mr. D'Cruz may be directed to
report directly to the Engineer-in-Chief
the vacancies occurring etc.
